Get HELP with FAFSA

The Future Begins Today has established a new program called the **FORMS** Program (Filling Out Required Materials for Students). It is designed to assist any Troy parents and their students who are planning to attend a college, university or trade school next year. **FORMS** will provide help in completing the FAFSA Application.

Who: Any Troy parents and their students planning to attend any college.

What: FORMS - Filling Out Required Materials for Students.

When: By appointment; 332-0467.

Where: Office of The Future Begins Today at 14 S. Weston Rd.

Both parent and student are required by FAFSA to **have a pin number** prior to filling out the application. This can be obtained on line, and is then mailed to you. It will take **10 days to receive** through the mail. **This pin number is needed before anyone can fill out the application.** www.fafsa.ed.gov

Students and parents must bring copies of their 2005 tax returns to the session.
The tax returns are needed for the FAFSA application.

Privacy is an important concern, and all personal information will be confidential.

TFBT office is very private and is a great location to work with **FORMS**. **The Future Begins Today** hopes to also assist the High School Guidance Department with the overwhelming number of requests it has from students.

Our Volunteers have been trained by Urbana University, Office of Financial Aid.
